

## **Good Sunday evening Deer Park! It's Ms. Krapfl with your weekly school news!**

- Just a reminder that we do not have school tomorrow as it's a teacher planning day in order to start off quarter 2 prepared for learning.
- On Monday, the MySchoolOnline teachers would like to invite all MSO families to pick up supplies for quarter 2, be sure to follow the schedule and the location assigned for your pick up so we can continue to socially distance any visitors. If you have ordered a box of chocolate for the fundraiser then stop by the office at that time as well. Thank you to our online families for continuing to support the school mission!
- This week on October 21<sup>st</sup> all chocolate will go home with students. This is when you can begin selling your chocolate and all money is due on October 29<sup>th</sup>. It's not too late to order a box, just go to our website and print off the order form to send in with your child. Anytime you would like to order another box you can just do the same. Students do get fun prizes with each box of chocolate sold. Our website has all the information you need.
- We have 2 grade levels that have small class sizes of online students. Both Kindergarten and 4<sup>th</sup> grade will be building a blended classroom with both online students and traditional for quarter 2. Remember families that we are doing a waitlist for students wanting to come back to the traditional setting and this helps us with making decisions on when we can bring the teachers back to a traditional setting. Please call Mrs. Fowler in the office at 727-774-8906 to be placed on the waitlist.
- It's Yearbook ordering time. This year we are keeping it simple with only softcover books and no add-ons offered as well as online orders only. Click on the link and use the numerical code below to reserve your book.
