

- Go see our tree downtown in Sims park, official lighting is 6 p.m. tonight. Thank you to all the boys and girls for making the ornaments!
- Families I want to thank you so much for your participation in our chocolate fundraiser. Our final profit was \$4,016.99. We use these funds for our PBIS program (Positive Behavior Interventions and Supports). Check out our gold award banner, above the front doors, that we received from the State of Florida for our implementation of the PBIS program.
- Here is our December newsletter [DecNewsletter-copy.docx](#)
- Order your yearbook for \$15 before the price increases! Visit <http://ybpay.lifetouch.com> and type in our Yearbook ID **Code: 12520921** to order your yearbook today!
- Picture day is coming soon on December 16th. Check out this flyer on how you can order your pictures [PictureDay.docx](#)
 - We are offering MySchoolOnline students to come through the car loop and get your picture taken anytime between 1 to 2p.m. Parents will pull all the way up and your child will get out of the car with a staff member to go to a nearby location, take their picture and be promptly returned right back to you. Making it as easy and safe as possible. If you can't make it then no need to worry as we have picture make up day in January
- Last day of school is December 18th then we begin our Winter Break with students returning on Wednesday January 6th
- Car Loop families we need your help to continue to keep children safe. Please remember that we ask that you refrain from being on your cell phone when moving through the loop. There are too many incidents where a car is stopping abruptly and we need all eyes watching. This is also why we ask you to pull all the way up to the next open space, we will move your child to your car. If you chose to stop, the car behind you is not expecting it and our #1 priority is to keep everyone out of harms way. Please remember to pass this information on to anyone in your family who acts as an emergency pick up as well. We also need students ready when you pull up so they can get out quickly. Please say your goodbyes before getting to the stopping point. There are 200+ cars that we put through the loop and it's done in about 20 minutes thanks to our staff expediting and you working with us to make it an efficient experience.

Wishing everyone a wonderful week!
