

Good Sunday Deer Park! This week I just have a few updates for you.

- Check out this link for a snapshot of information <https://www.smores.com/jmn4c>
- On October 6th students attending traditional school can receive a flu vaccine injection while at school. Consent forms must be received prior to October 6th. This is a shot and no longer offered in a mist form. This is not a service that is offered to students attending MySchoolOnline.
- Here is our October Newsletter [OctNewsletter.docx](#)
- We are now at full capacity for the traditional classrooms. If your child is participating in MySchoolOnline and you would like to change them back to traditional school then they will go on a wait list to return back to the building. Once I can bring back a teacher into the building then the students on the waitlist would also be able to return.

Thank you for your continued support and wishing everyone a wonderful fall week!
