

Happy Sunday Deer Park, it's Ms. Krapfl with your weekly school news!

- Just a reminder to our parents on our School Advisory Committee that we are meeting Monday at 4:00 pm via zoom. Please check your email for the link
- It's our Fall Fundraiser Deer Park and we need your help. We tried really hard to keep it simple this year. We have 2 choices for you;
 1. "Opt out" of this fundraiser and donate \$25
 2. Participate by purchasing a box of chocolate bars to keep yourself or to sell

Click on this link for EVERYTHING you need to know about the Fundraiser or Opting out

- I have a few requests to share this week.
 - We are not sharing clothes this year or keeping a large selection on hand, so we ask that you place an extra set of clothes in your child's backpack for those spills that may occur as well as tossing in an extra mask.
 - As part of our National Healthy Schools Initiative we do not allow cupcakes to be brought to school for celebrations. However, we do offer birthday packages sold in our cafeteria that meet the federal guidelines. Please go to our school website and click on the cafeteria link to get prices, available items, and contact information. It's really a very simple process and makes your life a little easier. Also, we are asking that no soda or candy come to school in lunch boxes. It's important for students fill up with healthy food, ready for a good day's learning
- We have a 1st grade student with a passion for safety and he wanted all students at Deer Park to have a mask that fits their faces. He has taken on this initiative, along with his family, to supply 1 free mask to all students on campus. Please check out this video. Masks will be delivered and sent home on Monday. Thank you for this generous donation!
