

Dear Families, Here are a few important things to get you started for the 20/21 school year at Deer Park. We hope this finds you healthy and safe!

- At this time we do not have Yearbooks yet, but will let you know when they arrive as the company has slowed down their production due to social distancing.
- We will be communicating out many new procedures in order to minimize sickness.
- The district has decided to cancel *Meet the Teacher Day* normally scheduled in August. If you are new to Pasco and would like a tour you can call the school to schedule a tour with our registrar Mrs. Fowler. She is on campus daily Monday through Friday and would love a chance to show you around. Call 727-774-8900
- You can pay student fees

- We highly encourage you to set up online lunch payments this year. It's really convenient, user friendly, and healthier than passing money/checks. Check out this link to set it up if you are new, update your account if you are returning and put money on it for your child for the first day of school. <https://www.myschoolbucks.com/ver2/login/getmain?requestAction=home>
- You can sign up for Free/Reduced lunch at this link (remember this must be done EVERY year) <https://www.myschoolapps.com/Home/PickDistrict>
- We still have families that have not let us know if your child is returning to traditional school or participating via online learning. Please call the school to let us know your decision if you haven't already OR if you decide to change. These numbers are used to decide the Teachers and we know that all families want to know your teachers as well as the teachers want to reach out to you, but we can't do this until we have the majority of our families decisions.
- Now that we have more information on the return to traditional school our teachers have updated the supply lists to reflect the best way to limit sharing of materials in order to minimize the passing of germs. Each grade level has made specific recommendations so be sure to find the correct list below.
