

Hey there Deer Park Bucks! It's Ms. Krapfl with your weekly school news!

- Be sure to check out the Facebook post for more details on breakfast and lunch updates! It is great news to share that beginning this week ALL students will receive free breakfast and free lunch! This includes all traditional students and My School Online Students.
 - Due to making everyone's health a priority, the following decisions have been made; We will not have a Fall Festival this year, there will be no Story Book Parade this year, our Great American Teach In will be done virtual and happens in November. Please contact our Secretary Skylar Driscoll if you are interested in presenting your profession to a group of students.
 - We have two Car Rider requests this week; as you drop off your child and pick up remember to pull all the way to the left lane as you pull away. This helps us bring in another 10 cars into the loop and move them all the way up. Secondly, we ask that parents remind students to be ready to get out of the car BEFORE stopping at your spot. We see many students putting on back packs and masks once the car stops and it will help speed it all up if students are getting ready when moving slowly in line prior to the drop off.
 - Lastly, beginning tomorrow we are no longer shifting students back and forth between Online School and Traditional. Decisions will be based on class size and space in the traditional classroom. Families requesting to come back will go on a waitlist for the grade level and when I am able bring back the teacher to a traditional setting the students can come back with the teacher. We want all students to receive the teacher attention they deserve and right now in most classrooms we have balanced class sizes where class size is equal
