

Good Sunday afternoon Deer Park! Thank you to everyone for a smooth start back to the New Year!

- This week we kick off Monday with School Advisory Council meeting at 4 p.m. via zoom. We appreciate our parents involvement that have agreed to be on this council.
- Tuesday we have our Parent Teacher Association Board meeting starting at 3:45 to finalize our big APEX Fundraiser coming up next week. Families this is the only Fundraiser for the PTA and all funds go directly back to students as the PTA provides grants for staff requests. They have purchased playground equipment, additional coolers for field trips, art supplies, PE equipment such as hockey sticks, and many many more items. This APEX fundraising team has been at Deer Park the last 3 years and have delivered wonderful character development lessons to classrooms, which will continue this year virtually. We end the fundraiser with a Fun Run Day and the kids love the excitement. Please help out our PTA and know that it is for many good causes all over campus.
- Wednesday is a super important day as it is the first Early Release Day this year. Parents I need you to think about how your child will go home on Wednesday as we are releasing ALL students 2 hours earlier beginning at 1:08. Be sure to let your child's teacher know if there is a DIFFERENT plan on Wednesday.
- As the weather fluctuates each day please take a few minutes for write your child's name in their jackets, even initials help us locate where the clothing belongs when lost. Also, it is a good idea to keep a change of clothes and an extra mask in your child's back pack. Sometimes there are spills in the cafeteria and this extra clothing will help everyone.

Thank you for all you do to help make Deer Park a great school and know we appreciate parent partnerships tremendously!
