

## **Good Sunday afternoon Deer Park! Here is your weekly school news.**

- This week we welcome a new school secretary to The Park as our very own Skylar Driscoll has been promoted to our school bookkeeper. Adriana Danwing has been a school secretary for 15 years and we know she will learn Deer Park procedures and routines very quickly.
- On Monday we have our monthly SAC meeting at 4 p.m via zoom, be sure to check your email
- Report cards will be ready to view, this Tuesday, on your parent portals. This is a great time to schedule a conference with your child's teacher.
- Remember there is NO school this Friday April 2<sup>nd</sup> and we want to wish you all a Happy Easter weekend.
- Just one tip for the car loop this week. As parents drop off or pick up we ask that you pull all the way to the left in order to clear the lane and allow more cars to fit into the spaces. Many mornings the light stops families from exiting and the loop gets backed up. If you pull all the way to the left this will help.

**We appreciate all the support and partnerships and wishing everyone a beautiful Spring week!**
