

Hey there Deer park! Here is your weekly school news...

- This week is the last week of Quarter 3 and I want to ask that families talk to students about finishing strong this week. Encourage the boys and girls to complete all assignments and begin Spring Break with nothing left for quarter 3.
- On Monday we have our monthly SAC meeting, parents involved please check your email for the zoom link.
- Parents of 5th grade students you have some important reminders this week!
 - Monday night is future 5th grade River Ridge Middle School families informational zoom presentation beginning at 6 p.m. You have to go to the middle school website to get the zoom link.
 - 5th grade course cards will be due this week on Wednesday for those students going to River Ridge. Parents be sure to discuss the course card options with your children and sign the back of the card.
 - Students attending Seven Springs middle school don't you worry as your course card process and zoom nights are coming up real soon
- It's Spring Photo Day on Wednesday this week. You must pre-order in order for your child to have their picture taken. Go to our Deer Park website and place your order before Wednesday.
- Remember that next week is spring break and students return on Tuesday March 23rd.

Thank you for being the best community in Pasco and we wish you a safe and fun-filled break with lots of family time. See you in 4th quarter!
