

Hey there Deer Park Families it's Ms. Krapfl with your weekly school news. Wishing all of our moms, aunties, and grandmas a wonderful day today!

- On behalf of the staff I want to thank our amazing PTA for planning the best Staff Appreciation week ever! It has been a tough year for all and this past week was so nice for our staff, thanks to this wonderful generosity. I also noticed so many gifts coming in with the boys and girls and just want to send appreciation to the families as well.
- We have FSA testing this week for our 4th and 5th graders as they take on the Reading test. Be sure to read the May Newsletter [Deer Park Elementary School News \(1\) \(1\).pdf](#) to get the exact days your child is testing. On Monday, we have our final monthly SAC meeting at 4:00 p.m. Check your email for the zoom link.
- Our PTA continues to give back to the students this week and next as they will get to experience a live trip through zoom to see animals in Montana.
- We have had a positive Covid case on campus this week. Please remember to notify the school nurse if your child or someone in the home is positive and be sure to keep students home when sick.

Thank you again for the continued partnership and wishing everyone a lovely week at The Park!
