

Good Morning Deer Park Families, it's Ms. Krapfl with your weekly school news!

- It's time to purchase your spirit wear! The staff wore our new tie-dyed shirts on Friday. If you want your own shirt then now is the time to order by checking out the PTA memberhub to place your order. The easiest way to get there is to go through our Deer Park website at <https://dpes.pasco.k12.fl.us/> and find the PTA link. When choosing your sizes please note that the shirts are 100% cotton and will shrink. You can also sign up for your PTA membership while ordering your PTA spirit wear shirts. Due to our recent time off we are extending the deadline for orders to be placed by this Wednesday November 18th so don't delay.
- Quarter 2 progress reports are available on your parent portal. Remember you can get to this link via our DPES website.
- Our monthly SAC meeting is Monday from 4 to 5 p.m. Parents please check your email for the zoom invite in order to attend this informational session.
- It's Holiday Shop time families and we do this at Deer Park each year during this time in order for students to be able to learn the gift of giving. We do not make any money off the holiday shop it's solely for the experience of students shopping for others and having an item to wrap up for their loved ones. This year you are going to love the virtual experience and online shopping. Check out this link to find out all the details. Shopping starts November 16th through December 4th <https://www.smores.com/grk2v>
- Remember families that school will be closed November 23rd through the 27th for Thanksgiving break.

Even though this year has been full of hurdles, Deer Park staff would like to wish your family a time of rest and memory making, while celebrating all the reasons to be thankful in 2020!
