

This is the link to get Covid answers from the Covid Response Team <https://ryu.pasco.k12.fl.us/ssps-mform/view.php?id=183178>

You can also work through the school by calling 727-774-8900 to ask to speak to the school nurse, Jennifer Tennant. She is only on campus 2 days (Tuesday and Thursday) per week so the office may have to send her a message. Someone will get back to you during the work week.

You can also email her directly as well at jtennant@pasco.k12.fl.us
