

Good Afternoon Deer Park Families. I hope this message finds you healthy. Just a reminder that we do not have school tomorrow in celebration of Dr. Martin Luther King Jr. Day. We have more cases of Covid. Mrs. Daughtery, Mrs. Horn, Mrs. Lewis, Mrs. Clayton, Mrs. Thompson and Mrs. Hinson's classrooms all have reported cases. If you have a child in any of those classrooms, we ask that you monitor for symptoms and use the student screener [Student Self-Screener.docx](#) daily. There is no requirement for students in these classrooms to quarantine at home unless they have symptoms. Here is a COVID testing option available for symptomatic and asymptomatic students, families, staff, and community members. Nomie Health Testing Site at Land O Lakes District Complex parking lot. 7227 Land O' Lakes Blvd. Land O'Lakes, FL 34637

- There is no need to schedule an appointment, all you need to do is preregister while waiting in line at the site. When you arrive, they will instruct you how to register using your smart phone
- Results are typically provided within 30 minutes
- Additional information can be found on the flyers linked here [COVID Testing 2021-rev.pdf](#)
- The testing site is now open 7 days a week from 8:00 a.m. until 6:00 p.m. However, depending on the volume each day, the site may have to close early due to test availability
- Testing site will be open on Monday, January 17th (Martin Luther King Jr. Day)
- Staff/Parents/Guardians **DO NOT** need to add insurance information when registering for a COVID test on the website: Those fields are NOT required and can be left blank. This testing option is available for all students, families, staff, and community members, regardless of whether they are symptomatic or asymptomatic.
- Remember to keep children home if they are pending test results, and you can email results to our clinic assistant at jgrover@pasco.k12.fl.us

We had a fantastic week with the PTA APEX Fundraiser! Students learned how to be self-starters, How to set goals and aspire, and how to own it and be responsible. [4. ALC - Own It.docx](#) Our finale is this Thursday, and the students will be doing their color fun run all throughout the day. We need 10 volunteers for each run. Please check the attached document to see how you can volunteer. [Color Run Schedule.xlsx](#)

As always we appreciate our families, your involvement and partnerships. Have a great week!
