

Good afternoon Deer Park Families! On Friday we had such a nice chorus program, we're all so proud of the boys and girls! Mr. Trese will again do a Spring club so be on the lookout for that information coming soon.

- There are 2 more days for the Holiday shop and we can always use volunteers to assist students with shopping. Imagine taking 20 children to Walmart and each of them having money to spend, oh my! Go to our website to become an approved volunteer, we need you! <http://www.pasco.k12.fl.us/comm/page/volunteer>
- This week we kick off Monday night with a community event at Blaze Pizza from 4 to 7 p.m. You can even place online orders and the school gets 20% of the proceeds. Check out the flyer in this week's email or check your child's backpack for the papers that came home last Tuesday. We always push things like this out on our Facebook page as well. [Blaze.pdf](#)
- Early Release Day is here! This Wednesday we release all students beginning at 12:50. Be sure to let your child's teacher know if you need to arrange a different way for them to go home and don't forget to share your car tag if someone else will be coming through the car loop.
- Just a reminder that we only have 10 school days left in this quarter. Remind your children to work hard, get all assignments turned into their teacher, and to do their best on any assessments. Our last day of school for 2021 is December 17<sup>th</sup> and we start 2022 off on January 4<sup>th</sup>. We have new start and end times beginning January 4<sup>th</sup>. See here for the specific details [New start and end times.docx](#) Thank you for all your support and wishing everyone a joyous week!
