

Happy Halloween Deer Park Families! I hope everyone has a fun and safe night tonight!

- We will see our boys and girls tomorrow morning in their PJs! Yes, that's right. As a giveback to the students for all the money raised, we are going to have some fun this week with kicking it off in our Pajamas on Monday. Tuesday we will celebrate our top donation raisers with some special attention, Wednesday will be trivia day with a trivia question given every hour on the hour and the first class to call in with the answer gets a treat delivered, Thursday is Disney Day where Dreams Do Come True, thanks to you! Everyone can wear their Disney shirts, Mickey ears, or even dress as their favorite character and finally Friday will be extra recess/fun for everyone! We really do appreciate all the support!
- It's November and each month we do our school newsletter. Click here <https://www.smore.com/cap8e> This month we are featuring our Honor Roll students!
- We have chorus practice this week; Tuesday is 4th/5th grade and Thursday is 2nd/3rd grade. Remember chorus parents that pick up happens in the car loop from 3:45 to 4.
- On Wednesday our PTA Board Members will be meeting to continue our Fall Festival Planning. The meeting is being changed to media center at 5 p.m. and dinner will be provided.
- On Thursday our school will have health screenings checking hearing, vision, and body mass index for all Pre-K, 1st and 3rd grade students as well as any students who are new to Florida. This is done every year in every county in Florida and individual information will be sent home with those students.
- Mark your calendars families as the next Early Release Day is Wednesday November 10th. If you are new to Pasco, please know that we dismiss 2 hours earlier once a month for our teachers to receive professional development. This year our focus is on Reading as the state just adopted new reading standards and our teachers are using new reading curriculum. We begin our regular dismissal procedures to send students home at 12:50. If you must arrange for someone else to pick up your child on this day please give them your car tag, which will help keep the car line moving. If you need to make a change in dismissal just for this day, be sure to let your child's teacher know. Safety of our students is of the utmost importance.

Thank you again and wishing every family an amazing first week in November!
