-Speaking of social media, please remember to connect with us on social media through our facebook page, as we send out additional information through that platform. We recently sent out a request to show teacher support to help stock our Teacher's Planning Room Fridge. Our teachers are hard at work planning rigorous and engaging lessons, so show your support for their hard work by sending in a treat (details, can be found on our Deer Park Elementary Facebook page).

- Finally, on October 3rd, Deer Park will have a Student Flu Clinic available for students. The consent form for participation will go home this Tuesday in the Tuesday

folder. If you want your student to participate please fill out the form and return it by 9/19.

That's all for tonight, thank you for listening, enjoy the rest of your evening...GO Deer Park BUCKS!!!
